Information about Apostille and Legalizations

In compliance with Supreme Decree No. 3541 of April 25, 2018, which regulates the implementation of the "Agreement Abolishing the Legalization of Foreign Public Documents," as of May 7, 2018, the Apostille of The Hague goes into effect in Bolivia.

Through its governmental bodies, Bolivia will now accept public documents apostilled by the member countries of the Hague Convention, which will facilitate Bolivian citizens living abroad and foreigners with their paperwork.
